Alumni Impact

As MSM alumni, you impact our state, nation and world through the work you do as doctors, scientists, and public health professionals who are dedicated to our mission.

In addition you impact our school through your generosity. All MSM graduates are automatically members of the NAA and we encourage you to continue advancing our interest in education, research and service through membership dues. Active members pay annual dues which provide the major source of income for NAA programs, including: the Alumni Regional Conference, Annual Alumni Luncheon, the NAA scholarship fund, student socials, and other special events. Many alumni also choose to advance our mission through additional gifts to the annual fund.

White Coat Ceremony Sponsorship

We would like to invite each MSM alumnus to sponsor a student for the annual White Coat Ceremony. Sponsors will be matched with a student to be robed on September 21, 2012 at this year's ceremony. It is our hope that each student will have an alumni sponsor for the ceremony, and that this leads to a mentoring relationship. The cost for sponsorship is $200.
