Morehouse School of Medicine General Information

President	Dr. John E. Maupin, Jr.
Founded	1975
Type	4-year, Private not-for-profit
Affiliation	Independent
Classification	Special Focus Institutions- Medical schools and medical centers
Calendar	Semester
Award Levels Offered	Masters degree, Doctors degree
Address	720 Westview Drive, SW Atlanta, Georgia 30310-1495
Telephone	404-752-1500
Website	www.msm.edu

Mission Statement

Morehouse School of Medicine is dedicated to improving the health and well-being of individuals and communities; increasing the diversity of the health professional and scientific workforce; and addressing primary healthcare needs through programs in education, research, and service, with emphasis on people of color and the underserved urban and rural populations in Georgia and the nation.

MSM has successfully maintained accreditation for each program from its inception. Currently 15 programs are accredited by seven different accrediting agencies.

Financial Aid

MSM provides need-based grants to students who qualify. These grants provide a portion of the student budget. The amount of the grant depends on the extent of need determined through an objective assessment. In addition, MSM serves as an agent to assist students in obtaining loans that are backed by the Federal and private loans.

Finance

Morehouse School of Medicine has a sound and stable financial base to support the mission of the institution and the scope of its programs and services. This is evidenced by stable enrollment, diverse and increasing revenues, and increases in unrestricted net assets.

Economic Impact

Every 5 years, MSM conducts an economic impact analysis. The most recent study conducted by an independent research firm Tripp Umbach, was based on FY'2008 data. The school's impact on the State of Georgia and Atlanta area is shown below:

Operations Impact FY2008	Direct	Indirect	Total
Georgia Economic Impact (Millions)	$135.0	$175.6	$310.6
Georgia Employment Impact (FTE's)	1,067	854	1,921
Georgia Government Revenue Impact (Millions)	$3.1	$9.0	$12.1
Atlanta MSA Economic Impact (Millions)	$108.0	$104.4	$248.5
Atlanta MSA Employment Impact (FTE's)	1,067	640	1,707
Atlanta MSA Government Revenue Impact (Millions)	$2.5	$7.2	$9.7

In 2008, MSM attracted over $23 million in annual research revenue from outside the state of Georgia. With more than $21 million in funding from the National Institute of Health.

Research Impact FY 2008	
Georgia Economic Impact (Millions)	$52.9
Georgia Employment Impact (FTE's)	2,300

The economic, employment, and government revenue impacts related to MSM graduates is in addition to operational impacts presented above.

MSM Alumni Impacts on the State of Georgia in FY 2008	
Economic Impact (Millions)	$417.3
Employment Impact (FTE's)	2,766
Government Revenue Impact (Millions)	$17.3

In addition to the operations, research and alumni impacts, MSM has made significant impacts in the community. It is estimated that:

- In total, MSM provided almost $1.5 million in pure charity care to the community and incurred over $1.4 million in bad debt.
- Employees at MSM provided approximately 1.6 million in charitable contributions and volunteer services to the community
- MSM trained physicians who practice in underserved areas within the state generate an annual health care cost savings of $192 million to the state.
