General Information

Course Description
The purpose of this conference is to update pediatric primary care and family practitioners about the latest information regarding medical conditions that affect pediatric and adolescent patients, and to recommended treatment options.

Who Should Attend
The conference will benefit pediatricians, family practice physicians, physician assistants and pediatric nurse practitioners. Nurses and other health professionals involved in the care of children may find the information useful and are welcome to attend.

Objectives
At the conclusion of this activity, participants will be able to:

• Discuss Red Book updates and address vaccine refusal and apprehension.
• Analyze treatment options for ADHD, with emphasis on secondary treatment options and co-morbid conditions.
• Diagnose and manage common child skin rashes.
• Assess and evaluate potentially obese patients prior to sending to the specialist.
• Review management of patients diagnosed with type 2 Diabetes Mellitus (T2DM).

Location/Accommodations
Georgia Tech Hotel & Conference Center
800 Spring Street NW
Atlanta, GA 30308

A group block has been reserved at a rate of $129 per night (plus taxes) for a standard room. To make reservations, call 1-800-706-2899 or 404-838-2100 and indicate you are attending the New Horizons in Pediatrics Conference. Reservations should be made as soon as possible, and no later than March 28, 2016, to guarantee this reduced rate. All reservations made after March 28, 2016, will be based upon space and rate availability.
