

## Dr. Tabia Akintobi Selected as Co-Leader of CTSA Collaboration/Engagement Domain Task Force

[Tabia Henry Akintobi, PhD](#), associate professor, Community Health and Preventive Medicine, and associate dean, Community Engagement, has been selected to be one of three new lead team members of the Collaboration/Engagement Domain Taskforce (DTF), a component of the National Institutes of Health (NIH) Clinical and Translation Science Award (CTSA) consortium. The Collaboration/Engagement DTF seeks to engage stakeholder communities across the translational sciences spectrum and enable team science.
