Lexington, KY*

"Innovation is Never Evidence-Based"

WEDNESDAY, November 18, 2015

8:00AM – 9:00AM

Piedmont Auditorium, Ground Floor

Learning Objectives

At the end of this presentation participants will be able to:

1. Review the various pathways to develop a new medical device
2. Describe the pathway for development of a new FDA approved treatment protocol
3. Evaluate and explore new teaching methodologies to promote innovation
4. Discuss how to create new teaching models to enhance your organization

Speaker Disclosure(s): None

Morehouse School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians.

The Morehouse School of Medicine designates this live activity for a maximum of 1 *AMA PRA Category 1 credit(s)*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Morehouse School of Medicine (MSM) requires instructors, planners, managers and other individuals who are in a position to control the content of this activity to disclose any real or apparent conflict of interest they may have as related to the content of this activity. All identified conflicts of interest are thoroughly vetted by MSM for fair balance, scientific objectivity of studies mentioned in the materials or used as the basis for content, and appropriateness of patient care recommendations.
