

Community Health Advanced by Medical Practice Superstars (CHAMPS)

Purpose

To train, develop and support primary care champions who will be equipped and empowered to lead health care transformation and teaching in community-based settings in metropolitan Atlanta and Rural Georgia

Who is it for?

The Department of Family Medicine at Morehouse School of Medicine (MSM) is seeking physicians and physician assistants (PA's) serving patients in underserved and under-resourced communities in the following areas:

- ✧ Atlanta-metropolitan area
- ✧ Federally Qualified Health Centers (FQHC's)
- ✧ Healthcare Physician Shortage areas (HPSAs) in rural Georgia.

Objectives

- ✧ Develop leadership capacity in healthcare transformation for primary care professionals
- ✧ Increase integrated and coordinated care services within and between care settings
- ✧ Improve the quality of care in healthcare organizations
- ✧ Increase patient access to care

Morehouse School of Medicine Partners

- ✧ Department of Family Medicine
- ✧ Satcher Health Leadership Institute
- ✧ Kennedy Satcher Center for Mental Health Equity Integrated Care Leadership Program (ICLP)
- ✧ National Center for Primary Care (NCPC)
- ✧ Institute for Healthcare Improvement (IHI)

NATIONAL CENTER
FOR PRIMARY CARE
