

Questions about Moving to 1800 Howell Mill & Name Change

Q: What is Morehouse Healthcare?

A: Morehouse Medical Associates is evolving to Morehouse Healthcare, which better describes the services we provide – Healthcare. We are keeping the most important aspect of the name, Morehouse, which speaks to our heritage as a part of Morehouse School of Medicine and maintains our brand in the Greater Atlanta community.

Under any name, we remain committed to providing you with quality healthcare.

Q: Why are we moving to 1800 Howell Mill?

A: Under the new name, Morehouse Healthcare, we are moving to Piedmont West at 1800 Howell Mill Rd. This state-of-the-art medical complex provides comfort, professionalism and an enhanced patient experience. In addition, it allows us to offer a comprehensive approach to patient care - the building hosts a, a medical imaging center, as well as other prominent practice groups.

Q: How far is Piedmont West from the 75 Piedmont location?

A: Actually, the location is within a five mile radius of 75 Piedmont Ave. Both the location and the quality of the facility will have significant benefits for you and your physicians. There is quick interstate access/visibility to all of Metro Atlanta via Interstate 75 (Exit 252) and it's on a MARTA line.

There are a variety of retail stores and restaurants nearby, including Wal-Mart Supercenter and Kroger.

Q: Is parking available?

A: Yes, covered parking is available. To ease the transition, parking will be complimentary for the first six months and reduced parking thereafter.

Q: When will the new location start receiving patients?

A: The office is currently scheduled to open in September 2013 but, we are planning to provide our patients a sneak peek of the location with a virtual tour and open house at the location in advance of the move.

Patient Service Questions:

Q: Is Morehouse HealthCare accepting new patients?
