CHATEAU ELAN
BRASELTON, GEORGIA

#### **ALUMNI PURPOSE**

Morehouse School of Medicine National Alumni Association was established in May 1982. The purpose of the organization is to support and advance the interests of the Morehouse School of Medicine and alumni and to foster interest among prospective students and the community.

Edward K. Bass, M.D.,'93 President

Kevin Thomas, M.D., '92 President Elect/Vice President

Makia Powers, M.D.,'03, M.P.H. Secretary/Marketing

Ivorie C. Stanley, M.P.H.,'09 Assistant Secretary/Marketing

Leslie R. Holmes, M.D.,'95 Treasurer/Development

Augustus Stephens, M.D., '91 Assistant Treasurer/Development

#### **EDUCATIONAL OBJECTIVES**

At the conclusion of this conference, participants should be able to:

- •Recommend appropriate cancer screening tests and procedures for their patients
- •Identify patients at risk for various cancers
- •Recognize signs and symptoms of various cancers and cancers unique to children and persons living with HIV/AIDS
- •Learn new approaches to preventing and treating common screenable cancers
- •Discuss trends in breast, colon and prostate cancers
- •Recommend appropriate cancer screening tests and procedures for their patients
- •Identify patients at risk for various cancers
- •Incorporate complimentary/alternative approaches to preventing cancer in their practice
- •Incorporate research findings with the hope of decreasing cancer incidence, mortalities and disparities

Morehouse School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians.

The Morehouse School of Medicine designates this live activity for a maximum of **9.5** hours in *AMA PRA Category 1 credit(s) TM*. Physicians should only claim credit commensurate with the extent of their participation in the activity.

#### DISCLOSURE OF CONFLICT OF INTEREST

Morehouse School of Medicine (MSM) requires instructors, planners, managers and other individuals who are in a position to control the content of this activity to disclose any real or apparent conflict of interest they may have as related to the content of this activity. All identified conflicts of interest are thoroughly vetted by MSM for fair balance, scientific objectivity of studies mentioned in the materials or used as the basis for content and appropriateness of patient care recommendations.
