Atlanta, GA*

Resident Oversight and Progressive Independence

WEDNESDAY, December 9, 2015

8:00AM – 9:00AM

Marcus Trauma Auditorium, Ground Floor, RM GD017

Learning Objectives

At the end of this presentation participants will be able to:

- 1) Discuss the historical perspective on resident oversight
- 2) Describe the background as well as reasons why resident supervision has become more stringent and progressive independence has been reduced
- 3) Review faculty versus resident opinion about resident preparedness through the lens of national surveys and studies
- 4) Identify & apply evidence-based solutions to improve resident preparedness for independent practice

Speaker Disclosure(s): None

Morehouse School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians.

The Morehouse School of Medicine designates this live activity for a maximum of 1 *AMA PRA Category 1 credit(s)*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Morehouse School of Medicine (MSM) requires instructors, planners, managers and other individuals who are in a position to control the content of this activity to disclose any real or apparent conflict of interest they may have as related to the content of this activity. All identified conflicts of interest are thoroughly vetted by MSM for fair balance, scientific objectivity of studies mentioned in the materials or used as the basis for content, and appropriateness of patient care recommendations.
