(404) 756-8820

REDCap overview and intro training is mandatory to obtain access to MSM REDCap.

1st half hour is an overview of REDCap and the remainder of the time will be spent with Intro training and hands examples

Learn How To:

- Build online surveys and databases
- Export data to common data analysis packages
- Send Files to others securely
- Review Data Queries and Create Reports
- Brief Discussion on Basic Data Entry and REDCap Mobile App
- Save your data collection instruments as a PDF

And Much More
