1. Sites

MSM – Morehouse Sch. of Medicine

GA Dept. PH-Georgia Department of Public Health

CDC/ATSDR - Ctrs. for Disease Control & Prevention/Agency for Toxic Substances & Disease Registry (site of public health agency experience; please see highlighted sections).

CAPN – Community Advanced Practice Nurses, Inc. Clinic

Because the curriculum is designed to meet both ACGME requirements and the resident's individual professional goals, the above list is representative of training sites available to residents in this program.

- All residents complete a two-year longitudinal Soc./Cul./Behav. Aspects of Medicine location throughout the two-year program.**
- Residents meet clinical requirements through the Occ. Med. and Clin. Prev. Med. rotations and through ½ day per week clinic sessions.**

***Year 1 of the residency program is primarily spent completing MPH coursework.**
