

My goals are to assist families achieve their employment and personal goals through strengths-based coaching, while improving their self-sufficiency and the overall sociology of communities from within. Teaching and support my staff through ongoing education/training, impactful program engagement, and via work examples to help them peak their professional endeavors, as well. Work closely with our various Management teams, partners, and community leaders to grow beyond their expectations for over 21 years in the social services field. Over these years, my time's been spent creating and conducting such programs in low-income housing communities, at-risk families and youth overcoming homelessness including those in shelters, along with support for youth in target neighborhoods and surrounding homes, schools, and community centers providing quality, impactful programs that include the following:

- Case Management & Family Coaching
- Develop Youth Outreach/Academic Programs
- Conduct community-based Needs Assessments for program integration
- Team Trainer & Supervise other family-site Social Service Coordinators
- Grant-Writing and onsite Organizational Engagement
- Community Garden Trainer & Master Gardener
- Develop Partnerships & Management Tools for consistency with Social Service Coordinators
- Work with APD for Community Safety & Neighborhood Watch as Block Captain Coordinator
- Manage the Federal Moving-To-Work Program (95% or higher Compliance)
- Budget & Debt Management Counselor
- Provide Emergency Assistance and Referrals for families
- Board Member for Health Services (Morehouse Prevention Resource Center)
- Strategy Team-Parent Cafe' Committee Chair (Community Partnerships for Protecting Children/DFACS)
- Co-Chair Integral's annual company fundraiser and quarterly service projects
- AIDS Walk & Outreach Volunteer (AID Atlanta)
- Serve on Team-Building Committee with various company personnel
- Fitness & Wellness Instructor/Trainer
- Conduct Resident Appreciation Events, Health Fairs, Back-To-School Events, etc.
