

# 6th Annual First Look Health: T.E.A.M

Have you considered serving your community as a Health Professional (Physician, Dentist, Nurse, Physical Therapist), Biomedical Scientist, or Public Health Scientist, but don't know the paths to take to get you there?

We invite you to join us for a "First Look" into the journey of becoming a health professional. Gain hands on-experiences and informational workshops, which will guide you on your path to a career.
